

IMPACT REPORT 2022

September 2021 - August 2022

**COMMUNITY
TRUST**

WELCOME

to our 2022 Impact Report

Martin Vose

Head of Community

This year we have reviewed the way in which we present our year of work during 2021 and 2022, as a team we felt it important to highlight the wide range of activities & initiatives that as a Community Trust we deliver, support and engage with and provide some context to our successes. Previously we have simply reported with our key numbers on a page however this year we wanted to try and bring some life to the facts & figures.

When you look back across the 12 month period it is staggering to see such variety, from providing employment opportunities through the Kickstart scheme at the start of year to finishing by welcoming **1500** aspiring footballers to Boundary Park through our two grassroots matchdays it has been a year to remember.

A huge amount of thanks must go to the OACT members of staff, alongside our volunteers and trustees, whose relentless drive to see lives changed has been at the heart of the impact we see across this report.

Whilst this is all about looking back I would like to take the opportunity to look ahead. With the new ownership at Oldham Athletic Football Club it promises to be a bright and exciting future for everyone connected, given this positive new outlook I can't wait to see what we achieve as a community in the next 12 months.

- Our school delivery for the 2021/22 school year began, with **14** OACT school partners signed up. Across the year we will engage with the various school partners to deliver a range of activities on a weekly basis, both in terms of physical activity and additional opportunities.
- Premier League Kicks launched for the 2021/22 year, with **8** sites across the borough providing free activity for young people to engage with. We worked with key local partners, such as Oldham Council, Full Circle, Positive Steps & Limeside Methodist Church to provide these sessions.
- We welcomed OACT School Partner, Royton Hall, for a Play On The Pitch experience as we provided lifelong memories for **12** pupils. As part of the day, Oldham Athletic Ouss Cisse spoke to the pupils and provided an insight into the career path to become a professional footballer.
- We relaunched matchday activity and sensory packs, distributing **25** packs to junior supporters to assist making an Oldham Athletic matchday as inclusive & diverse as possible.
- We welcomed our first two Kickstart employees, as we participated in the government scheme designed to help young people from across our community get back into work. As a further demonstration to our commitment of providing employment opportunities, we visited UCFB to speak to students and promote the various job opportunities available with OACT, with over **100** students meeting the OACT team across the day.
- We partnered with BBC Radio Manchester and become a donation point for the BBCs "Kit Out The Nation" campaign, which aimed to get kit and sports equipment to the schools and clubs where a young person can use it.
- Declan, a Training Ground project participant, successfully achieved his functional skills level two award after weeks of hardwork with the OACT employability tutors. It was during September that we held our Training Ground graduation ceremony, at Team Karting. The event celebrated the achievements of the group, with many in the group continuing their journey either within education or employment.
- We launched a weekly coffee morning project, based at Boundary Park, aimed at providing additional opportunities for those within our community to come together and socialise.
- We worked with local primary school, Broadfield, to deliver a lifestyle workshop to **120** upper key stage 2 pupils over a 6 week period. The project aimed at discussing various life choices that young people face and what actions they can take to stay safe.
- We hosted our very first changemakers meeting, with **8** young people volunteering their time to meet and plan how they want to work together to make a positive difference in Oldham supported by OACT.
- We launched a new project in partnership with Bethel Church, providing free football for those aged 16+ who were either on low income and/or seeking asylum.

- We began our NCS Autumn delivery. Working with Oldham College we engaged with **33** college students across three different waves. Our AU21 delivery provided young people with the opportunity to broaden their experiences and improve their life skills through a mixture of adventurous activity and borough based social action. As part of the project we were joined by **4** times world BMX champion Kelvin Batey. Kelvin discussed all things around his career, as well as how the participants can achieve their personal best through hard work and following their dreams.
- OACT School Partner, Woodlands Primary Academy, visited Boundary Park with **10** pupils to take part in our navigate project. The visit enabled the pupils to learn outside of the classroom, completing different mathematical challenges & tasks.
- We began Skillsbooster sessions with students at Co-op academy Failsworth and Oasis academy. This offer aimed to support students to re-engage and return to learning following disruption due to the pandemic, offering personal development opportunities through allowing them to gain key skills for their next steps after Year 11 or 12 and wider life.
- A new football project was launched, in partnership with Manchester FA. The project provided free football provision for Women aged 30 & over and aimed to provide women with an opportunity to return, or start, their footballing journey in a social and supportive environment on a free of charge basis.
- We supported half term provision with three OACT school partners, Werneth, Willowpark & Woodlands. Across the week **60** children benefited from staying active during the half-term, utilising the school sites to reduce any barriers to engage.
- We welcomed our SU21 NCS graduates, as we hosted a specific matchday at Boundary Park with special guest from the EFL Trust and NCS Trust. The graduation evening featured a pre-match presentation and the opportunity for the young people to watch the Oldham Athletic fixture as guests of OACT.
- In an effort to combat loneliness and isolation we received funding from the Ideas Fund to support academics at the universities of Leeds & Reading. Never Alone focused on providing activity for those either currently retired or approaching retirement, providing a social environment using the power of football to engage. We delivered our first session of the project in October, hosting a pre-match event for participants to meet the project staff as well as each other ahead of the 6 week project commencing.
- We worked with local partners Full Circle & Oldham Council to welcome **100** young people from our PL Kicks project, providing them with complimentary tickets to watch an Oldham Athletic fixture.
- As part of world mental health day we supported the "Mental Health Football" project, by donating coaching equipment as well as a signed copy of Fifa 22. On a weekly basis upto **25** people attend the weekly project, free of charge, with all funds from the raffle of the signed copy of FIFA 22 going straight back into the project.

- We received the Quality in Action Award from Action Together. The award demonstrates OACT's commitment to quality assurance & continuous improvement in safeguarding, safer recruitment and equal opportunities.
- We were proud to be an Oldham Toy Appeal Hub. The initiative aimed to support those at Christmas who may not be as fortunate as others by collecting, and then donating, toys to community groups across the borough who were directly working with those in the most need.
- Ours EFL Kids Cup began! We welcomed **128** primary school children to participate in the local EFL Kids Cup, with the chance for one school to represent Oldham Athletic in the regional finals with a place at Wembley Stadium up for grabs.
- The EFL Girls Cup journey also began, as welcomed secondary school pupils from across the borough to compete in the competition. Similarly to the EFL Kids Cup there was an opportunity to play at Wembley Stadium. Girls football would feature heavily across the year, providing additional opportunities for girls to participate in footballing events.
- We received our first half term feedback from the OACT school partners network. **100%** of schools who completed the survey were happy with the service OACT provides, stating that OACT staff working within their school integrate well within the school community and operate in a professional, dedicated and inclusive manner. This resulted in **100%** of schools telling us that they would recommend OACT to other colleagues within the school network!
- Oldham Athletic Community Trust officially joined the Armed Forces Covenant, continuing to strengthen the support for local military veterans.
- We hosted a Litter pick with Werneth primary to support the local community and the schools environmental sustainability hub, raising awareness of the need to recycle and take care of our local community spaces. In just one afternoon **15** bin bags full of litter was collected, making a difference to the local area.
- After many months away due to the COVID-19 Pandemic, Chaddy the owl finally returned to Boundary Park to meet & greet the clubs junior supporters and inspire the next generation of fans.

- Following the EFL Kids Cup Local heats, which saw **128** primary school children participate, Hodge Clough Primary School were victorious in the finals day event. The school won the tournaments and therefore progressed to the regional finals, where they would represent Oldham Athletic. "A superb, inclusive and professionally ran tournament" was the feedback received from Hodge Clough Headteacher Neill Cavanagh.
- We hosted a Men's Health MOT at Boundary Park for fans to attend and have a health check, using the power of football and Oldham Athletic to encourage men to check on their physical and mental well-being. In total over **100** fans took part in the opportunity.
- In partnership with Ingeus UK, we supported local families in need of support at Christmas and provided gifts for them, including a signed Oldham Athletic shirt, a football and football nets.
- Our NCS Autumn Delivery continued and covered a various amount of social action initiatives including litter picking, sponsored triathlons & Christmas gifts to support those who may need them over the festive season.
- Working with OACT school partners Royton Hall & Firbank, **60** children completed the award and received their formal accreditation as sports leaders. Due to this students were now able to support the physical activity delivery taking place within the school for younger age groups, providing positive role models to further increase the promotion of physical activity in the schools.
- As our Over 30s women football session grew we moved to our new home. On a weekly basis **20** women were now participating, increasing their mental & physical wellbeing.
- OACT school partner Canon Burrows visited Boundary Park for their play on the pitch experience, as Oldham Athletic hosted Forest Green Rovers. **16** pupils from the school played on the Boundary Park pitch at half-time, for many it was the first professional football match that they had attended.
- Ahead of the Christmas holidays, Santa visited Boundary Park to meet & greet junior supporters and to provide them with a festive treat – in total **100** children visited Santa across the afternoon to create a unique and memorable matchday moment.
- OACT School Partners, Horton Mill & Willowpark Primary Academy, visited Boundary Park as **30** pupils took part in our navigate project. The visit enabled the pupils to learn outside of the classroom, completing different mathematical challenges & tasks.
- We hosted a Never Alone event at TeamKarting, to celebrate the first cohort completing the project and to also look ahead for the second beginning in 2022. **10** participants had a fantastic afternoon out on the track, with the event working to combat isolation and loneliness.

- OACT received the Employer Defence Recognition, to show our supported and dedication to those who served our country!
- We hosted our first #PLPrimaryStars tournament of 2022, with 32 school pupils showcasing their passion for football through this free event.
- Our school delivery resumed following the Christmas break.
- We were delighted to announce a New OACT trustee, Jonathan Bell. Jonathan joined our knowledgeable and skilled board of trustees to enhance our governance and provide support for our continued growth.
- Hodge Clough Primary & Crompton House represented Oldham Athletic at two different EFL regional finals.
- In partnership with Guinness Housing, we have been able to support local schools with additional sport and PSHE provision. In January 2022, we started new school delivery with St Josephs RC & Hodgeclough Primary School. At St Josephs we engaged with 180 children per week as part of the partnership to provide additional physical activity opportunities whilst at Hodgeclough we delivered our lifestyle choices PSHE workshop to 60 pupils over a 6 week period.
- We spoke to over 1000 year 11 students as part of our NCS project, providing them with an overview of the project and the benefits to signing up for our summer 22 provision.
- After the Christmas festivities we re-launched the popular wheres chaddy initiative. Working with Oldham Council we hid various chaddy the owl stickers around three local parks to find. The project aimed to promote physical activity, improving both mental and physical wellbeing, whilst utilising some of the fantastic green spaces within the borough.
- We welcomed two new members of staff to team, through the kickstart initiative as part of our ongoing commitment to provide employment opportunities to our local community. To demonstrate the diversity of the roles available, Connor joined us as media assistant whilst Kyle would work within our schools team as an assistant community coach.

- Skillsbooster at Crompton house begins with **100** pupils. The session was focused on next steps, looking at life after sixth form and the paths that could be taken such as university, apprenticeships and more.
- OACT celebrated World book day, working with local schools to inspire children across the borough to read. To achieve this Oldham Athletic players recorded themselves reading stories along with numerous books and book vouchers distributed to primary school children.
- **4** OACT school partners participated in the Play On The Pitch initiative, with Hey with Zion, St Pauls, Blackshaw Lane & Firbank joining us at Boundary Park for a memorable opportunity.
- We supported Level Playing Field, through their week of action. As part of this we launched a brand new PL Kicks session, in partnership with Oldham Ability Counts for Pan-disability football as well as hosting a dedicated Level Playing field matchday at Boundary Park to help further raise awareness.
- Hodge Clough represented Oldham Athletic at the #PLPrimaryStars National Girls Tournament at the Cliff Training Ground.
- We celebrated International Womens Day, highlighting that at the time of the event, **46%** of the OACT team were Women!
- **16** children represented Oldham Athletic in EFL cup competitions, as Hodgeclough Primary School competed in two regional finals.
- Defender Jordan Clarke hosted a virtual #PLPrimaryStars education activation visit with Canon Burrows, speaking with over **200** children, with the visit focusing on aspirations and Jordans career so far.
- We hosted our Year 3&4 #PLPrimaryStars Girls Football Tournament alongside Oldham School Sport Partnership, with **64** girls taking part. Our tournaments create opportunities for girls to gain a first taste of football as well.
- We continued to supported charities and organisations in the borough, this time working with Maggies to host a dedicated matchday which helped raise funds for the charity.
- We received an award to recognise the work we did during the Covid-19 Pandemic by Oldham Council and Action Together.

- The EFL week of action took place. As part of this we hosted a foodbank football tournament with all participating teams donating food items for Oldham Foodbank. In total over **500** food items were collected & donated to assist those in the most need within our borough. We also highlighted those members of the team employed through the kickstart scheme. In total **13** were employed through the scheme, which provided employment opportunities & support for those within our local community.
- After hosting the dedicated matchday for Maggies, we held a silent auction for the signed warm up shirts to raise further funds for the charity.
- Carl Piergianni hosted an education activation through Zoom with Royton Hall and Horton Mill to discuss healthy lifestyles, a balanced diet and keeping active. The visit engaged with over **100** children.
- Chaddy the Owl visited OACT school partner, Royton Hall, to support their P.E Delivery and meet pupils at the school.
- Chaddy the Owl visited OPAL Advocacy in Oldham! OPAL is a charity based in Oldham giving people with learning disabilities a voice & choice in all aspects of life! Chaddy flew by for a dance, to meet people and for some photos.
- Easter Holiday Clubs took place across **3** different school sites, engaging with **86** children. A thank you to Hodgeclough, Mills Hill & Willowpark for supporting this.
- We hosted our NCS Keep Warm Event, at Ten Pin Bowling In Rochdale, prior to our first ever summer residential. The event provided an opportunity for the **48** young people signed up for the project to meet our NCS team, and each other, for the first time.

- From the Maggie's Matchday back in March, we donated one of the signed shirts to Maggie's themselves as a memento of the occasion.
- We provided support to Baby Ella, with a dedicated matchday to help raise funds for her. Ella was born needing open heart surgery, but after birth was seriously ill in NICU (newborn intensive care unit), getting constant life threatening infections. The fundraising helped support her need for an operation, with a total of **£515** being raised.
- Her Game Too officially partnered with Oldham Athletic and Oldham Athletic Community Trust. Her Game Too is a campaign run by fans to raise awareness of sexist abuse in sport and promote female sport, whether that be participating or being a fan.
- The Oldham school cup finals were held at Boundary park with the **FIRST EVER Oldham Girls Cup Final** being played. Across the week over **1000** local school pupils played on the Boundary Park pitch.
- THE EFL family excellence final report was released, with Oldham Athletic receiving a score of 8/10 on both visits during the 21/22 season, finishing 6/24 in League Two and 29/72 across the EFL. Across the season matchday activities were provided, within the OACT Family Stand, at **80%** of home games to provide supporters with a unique matchday experience.
- We hosted a girls football festival, at boundary park in support of the women's 2022 euros taking place in the summer. In total **16** schools and **128** girls joined us at Boundary Park throughout the day as we looked inspire the next generation of Lionesses. The day saw us partner with Oldham School Sport, Miss Kick and Her Game Too.
- After many months of training participants from our Over 30s women session play, and win, their first competitive game. The project so far has engaged with **31** women since it began.
- **16** children from OACT school partners Werneth and Westwood visited Boundary Park to play on the pitch.
- Chaddy The Owl opened the Firbank Primary School jubilee party and sports day. The afternoon saw the entire school, and local community, coming together for the royal celebrations.

- The summer soccer school continued with over **200** children across Oldham participating over the remaining 4 weeks. **100%** of parents told us that they would recommend the soccer school to others.
- Ahead of the season starting we conducted **9** Oldham Athletic player engagement opportunities, to increase the connection between club and community.
- The OAFc first team took part in the returning sock-er skills challenge to keep children active at home during the summer holidays.
- Along with clubs from across the country, we took part in the Premier League youth summit. We welcomed **5** PL Kicks participants to BP to engage with the opportunity and hear their thoughts on the project.
- Sainsbury and Co-op, supported the Her Game Too initiative, by donating **100s** of sanitary products for Oldham Athletic matchdays as we work together to beat period poverty for those visiting Boundary Park.
- We invited **1500** grassroots players to Boundary Park for two dedicated grassroots matchdays, as Oldham Athletic welcomed Dorking Wanderers and Wealdstone.
- Our NCS summer 2022 began, with **48** young people joining us for the two week opportunity. Week one took place at YHA Chester for the residential element, with activities such as rock-climbing taking place. Week One resulted in a **100%** attendance score from the participants. The second week consisted of social action projects, with three separate teams focusing on three different local issues (mental health in the elderly, youth crime & violence and poverty in Oldham). Each team had to pitch for a varying amount of funding in order to hold a social action event to raise awareness of their chosen issue. During the one day of social action our NCS participants engaged with **467** people across the three different events.
- Across the two weeks we received several quality assurance visits from external project partners, this featured a score of **100%** from Pharos and **93%** from the EFL Trust – these were amongst the highest in the country.
